“Happy is the man who finds a true friend, and far happier is he who finds that true friend in his wife.”

~Franz Schubert~

Sometimes women are overly suspicious of their husbands. When Adam stayed out very late for a few nights, Eve became upset. "You're running around with other women," she charged.

"You're being unreasonable," Adam responded. "You're the only woman on earth."

The quarrel continued until Adam fell asleep, only to be awakened by someone poking him in the chest. It was Eve. "What do you think you're doing?" Adam demanded.

"Counting your ribs," said Eve.
