**People may hear your words,  
but they feel your attitude.**

John C. Maxwell

A little girl went up to her mother one day while holding her stomach saying, "Mommy, my stomach hurts."

Her mother replied, "That's because it's empty, you have to put something into it!"

Later that day, when the preacher and his wife were over for dinner, the preacher began to feel bad. Holding his head he said, "I have such a terrible headache!"

The little girl looked up at him, giving the preacher the sweetest smile that any little child could give, and then she said, "That's because it's empty, you have to put something into it!"
