Ah, marriage. I was standing in front of the bathroom mirror one evening admiring my reflection, when I posed this question to my wife of 30 years: “Will you still love me when I’m old, fat, and balding?”

She answered, “I do.”

A woman noticed her husband standing on the bathroom scale, sucking in his stomach. “Ha! That’s not going to help,” she said.

“Sure, it does,” he said. “It’s the only way I can see the numbers.”
